

## Children's Cookery Classes

Venue: The Stables Buttercrambe

Cost:

Time: To suit the client

All children love to cook and as such, we are delighted to offer bespoke children's cookery sessions. Sessions are usually 2 hours long and can accommodate 6-8 children and can be on any theme chosen. We can also offer sessions where children cook & then eat what they have prepared which are ideal for birthday parties or older children wanting to increase their skills.
